

OEM Sales: CASTING TECHNOLOGIES

Production Components for Manufacturers

As Manufacturer's Agents, we represent a variety of component manufacturers and we assist manufacturers in North America to source components.

PRODUCTS	PROCESS	MATERIAL	SOURCE
Casting	Die	Alum / Zinc	Canada, USA, Asia
	Sand	Steel	USA, Asia
	Sand	Bronze / Alum	Asia
	Sand	Iron	Canada, USA, Asia
	Permanent Mould	Aluminum	Canada, USA, Asia
	Investment	Various	Canada, Asia
Forging	Closed Die	Brass / Alum	USA, Asia
		Steel	Asia
Alum & Plastic Extrusions	Custom	Various	Asia
Fine Blanking	Precision Stamping	Various	Asia
General Machining	Drilling, Tapping, Milling, ETC.	Various	Canada, Asia
Precision Machining		Various	Canada, USA, Asia
Screw Machining		Various	Canada, Asia
Powdered Metal	Custom	Various	Asia
Plastic Custom Moulding	Injection	Thermoplastic, Thermoset	USA, Asia
Rubber Custom Moulding	Compression, Injection, Transfer	Various	USA, Asia
Rubber to Metal Bonding	Over Moulding	Various	Asia
Springs & Wire Forms	Custom	Various	USA, Asia
Stampings	Custom	Various	Canada, Asia
Wire Mesh	Custom	Various	Asia
Finished Products			
Gas Spring/Chair Cylinders	Complete Assembly	Various	Asia
Electrical Boxes	Complete	Aluminum	Asia
Electronic Design & Display	Custom	Various	Canada
